

Reading Strategies

1. Making Connections

- Prior Knowledge
- Text to Self
- Text to Text
- Text to World

2. Visualizing

- Use your five senses to create a mental picture
- Visualize a movie in your mind when you read

3. Inferring (connecting what you know to what you read)

- Make Predictions
- Draw Conclusions

4. Questioning (Who, What, When, Where, How)

- Ask questions before you read
- Ask questions as you read
- Ask questions after you read

5. Determining Important Ideas

- The Big Idea
- Author's Purpose

6. Synthesizing

- Retelling
- Summarizing
- Book Reviews
